

X Workshop on Novel Methods for Electronic Structure Calculations

04th - 06th December 2023
La Plata - Argentina

First circular

Dear Colleague:

We are pleased to announce a new edition of the Workshop on Novel Methods for Electronic Structure Calculations, in this opportunity we will have the 10th edition.

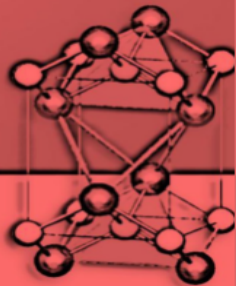

The workshop will be held in the city of La Plata, Buenos Aires Province, Argentina, from December 4 to 6, and between 9:00am and 5:00pm (Argentine time), the schedules of the speakers in their respective countries, will be according to this period of time.
